

Blackouts are no fun for anyone

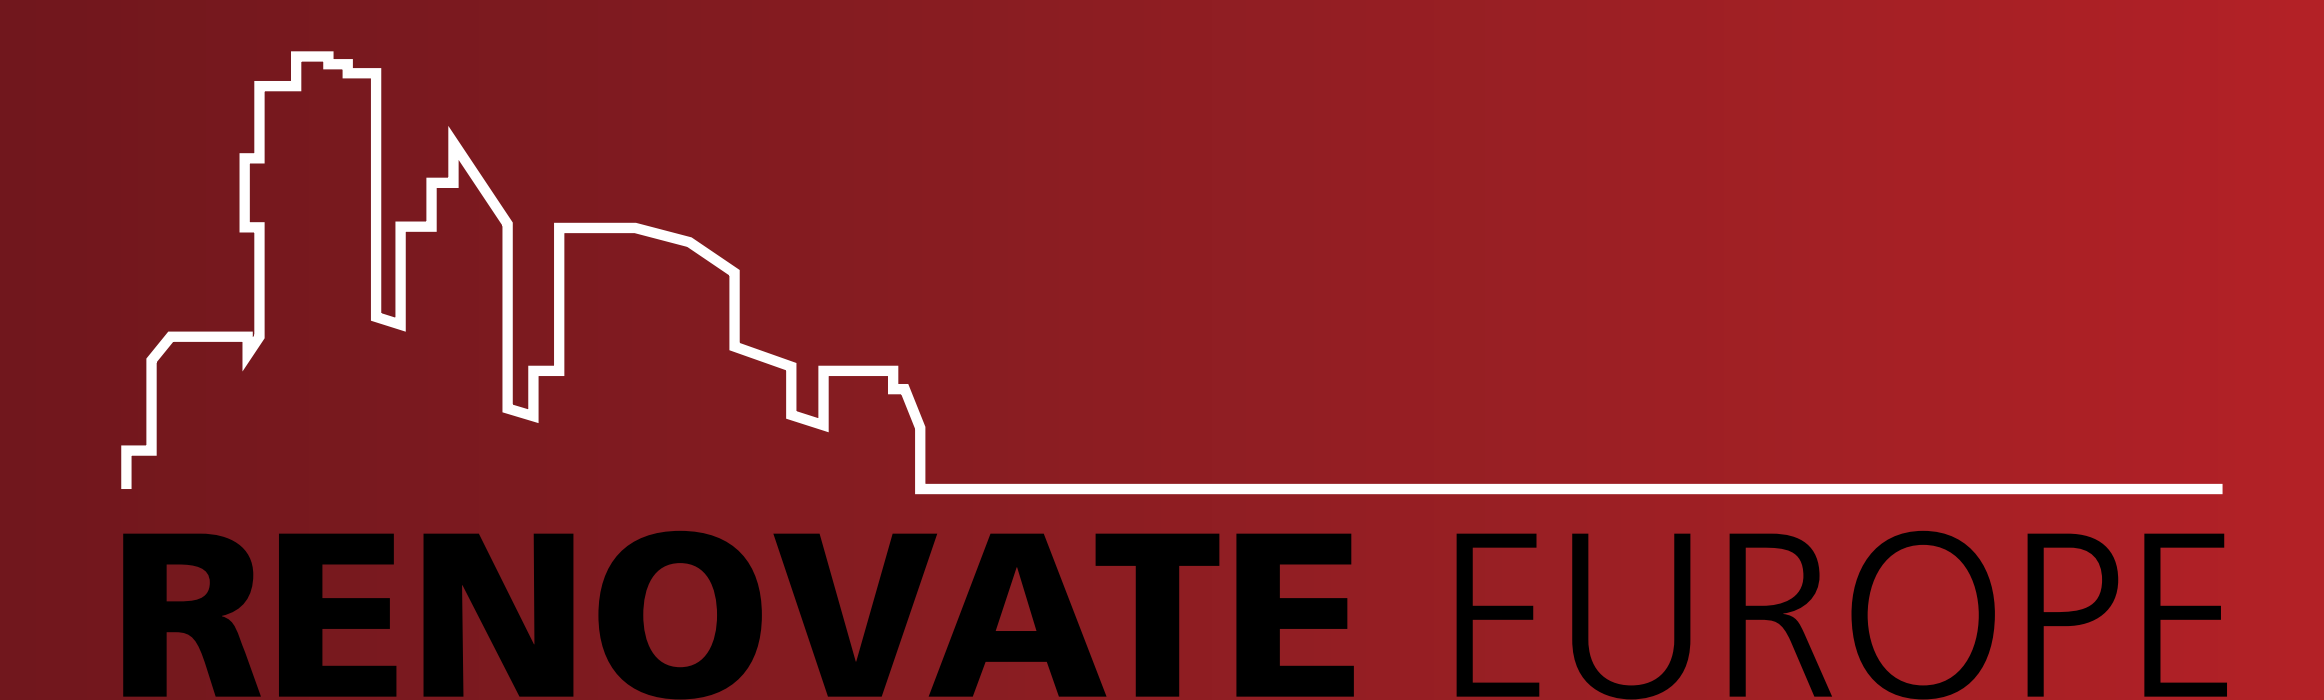

STOP energy waste in buildings **RENOVATE EUROPE**

The European Union is in the midst of an energy crisis. Disruptions to supply this winter could mean many cold and dark months lie ahead.

All EU countries share a common feature – leaky, wasteful buildings. Yet the solution is at hand: An ambitious renovation programme across the EU could secure our energy future, create more local jobs and reduce the cost of energy bills for consumers.

Let's make it a reality **#RenovateEurope**

www.renovate-europe.eu

The Renovate Europe Campaign is a political communications campaign that is calling to reduce the energy demand of the building stock in the EU by 80% by 2050
