

BREAKFAST DEBATE

Triggering Jobs and Growth through Energy Renovation

Hosted by MEP Carolina Punset (ALDE, Spain)

Tuesday 27th September
8.00 - 9.30

European Parliament Members Salon

Why is a thriving energy renovation market so vital for employment, entrepreneurship and prosperity in the EU? Which regulatory and financial framework will support local SMEs and local investments in the renovation sector? How can the revisions of the Energy Performance of Buildings Directive and the Energy Efficiency Directive lead to increased energy efficiency in buildings and boost jobs and growth across the EU?

Hosted by **MEP Carolina Punset (ALDE, Spain)** and organised by **Renovate Europe**, this breakfast debate will focus on the economic benefits of achieving Nearly Zero Energy Building (NZEB) standards by 2050 for the building stock in the EU.

REGISTRATION:

To register for the breakfast event, please RSVP by Friday 16th September to caroline.simpson@euroace.org
Please note that seats are limited – your participation will be confirmed by email.
