Boosting Energy Renovations

DE
ENERGIE
CENTRALE

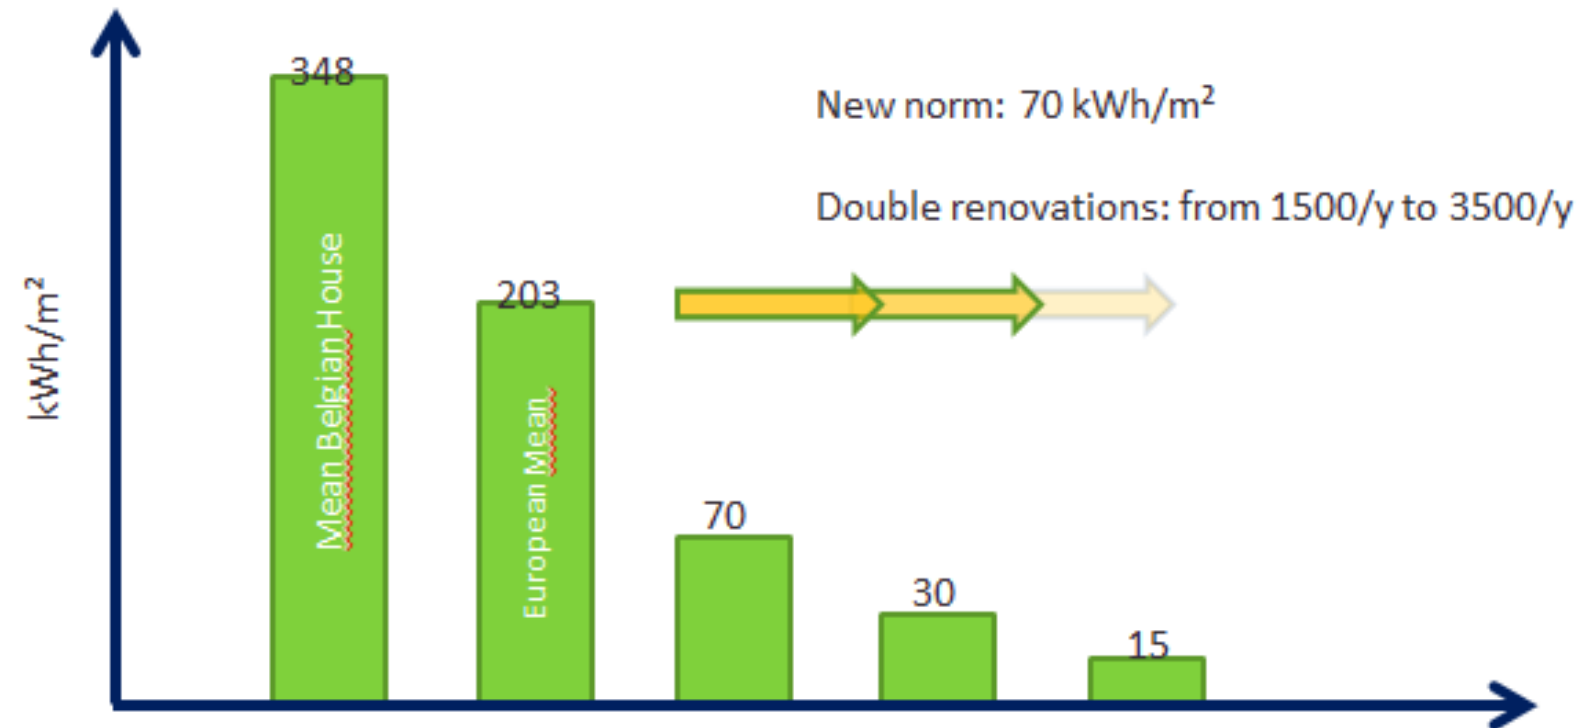

Mieke Maerten - Sustainability Manager for the City of Ghent

The Ghent City Renovation Strategy for Existing Buildings

Ambitions for Energy Renovations

STRATEGY

1. ENTHUSIASM
2. EASY
3. AFFORDABLE

gent:

Enthusiasm

Make residents keen to renovate

- Online tool: Check your home
- Online form to make an appointment at your home

 150 kWh/m²

 70 kWh/m²

 30 kWh/m²

The logo for 'gent:' is a red square with the word 'gent:' in white lowercase letters. A small yellow speech bubble icon is positioned above the top-left corner of the square.

Making renovating easy

Unburdening: We come to your home

- Energy scan
- Tailor made advice
- Evaluation of budget
- Looking for contractors
- comparing tenders
- Support during the renovations
- Future proof advice

The logo for 'DE ENERGIE CENTRALE' is a green octagon with the text 'DE ENERGIE CENTRALE' in white uppercase letters inside.

An affordable renovation

- Energy loans (0% of 1%)
- Grants
- Realistic but future proof planning
- Extra supports for
 - low income families
 - Landlords renting out for low income families

Provide answer to existing needs and worries:

- Is it urgent?
- Technical knowledge
- Finding good contractors
- Budget
- Juggling (family) life and work and renovation

Organizing personal approach
(which is time consuming and hard work)
